16 JUL 1971

SG-71/198

MEMORANDUM FOR: Director of Logistics, DDS

SUBJECT   : Upgrading of DDP Computer Central Processing Unit

REFERENCE   : SG Memo 71/157, same subject, dated 17 June 1971

    1. The Executive Director-Comptroller on 16 JUL 1971 approved the sale of the Agency owned IBM 360/50 Central Processing Unit (CPU) and its replacement by an IBM 370/155 CPU. (See copy of reference attached)

    2. GSA Region 3, Mr. T. Fred Noble has stated that Region 3 has the necessary approvals to purchase this equipment for $600,000.

    3. Mr. Noble states that we should submit a Standard Form SF-120 clearly marked Exchange/Sale at the $600,000 price "as discussed with Mr. T. Fred Noble of GSA Region 3."

    4. It is therefore requested that your office take the necessary steps to sell the equipment listed below to GSA Region 3 for $600,000.

        a) Processor 2050-1-11229
        b) Keyboard Printer 1052-7-51093

    5. This equipment is currently listed on order number 72-Rental 5, System 360/50-1, items 1 and 2 and is carried on Consolidated Memorandum Receipt #10, Account 2601 of the Records Integration Division, DDP.

    6. By separate memorandum, Chief, General Procurement Branch, PD/OL, has been requested to order the replacement IBM 370/155.

    7. The installation of the 370/155 is contingent on the sale of the 360/50 and in turn the release date of the 50 will be governed by the delivery of the 155.

    8. GSA has requested delivery of the equipment no later than September 1971. It would therefore be appreciated if this action could be expedited.

-2-

9. Mr. Noble states that Mr. Dick Cook, director of the reutili-zation effort of GSA is aware of these plans and is available for any clarification necessary. His phone number is 16-78516.
